## Varsity Fifty Five

It means plenty of variety in suit styles

TART Schaffner & Marx Varisty Fifty Five means many variations of one fundamental style idea. Notice the smartly dressed young man in this picture; a belt back, single breasted coat, and a one button sack; different lapels and pockets.

### Lots of different fabrics

Yes.
What does your wife do? that rifle is 2,700 feet per second at the muzzle.

What do you do for a living?
Nothing: I have an income of sixty thousand francs.
Are you married?
Yes.
What does your wife do?
Nothing: she is richer than I.
You are no imbecile. Passed for general service.—London Dally News.

The first sound is that of the builtet passing through the air. It is like nothing so much as the sound of a long blacksnake whip very violently cracked. The second sound is dull and heavy, and is more like a thud than the "crack" of a rifle. That is the noise of the rifle itself, the only just my point."

The Philadelphia Ledger.

"Whenever I see Griffiths I am reminded that the good die young," said is friend.

"Exactly," was the recty. "That is the noise of the rifle itself, the only just my point."
